IEMA-2017 will offer an excellent International Conference for sharing knowledge and results in Industrial Engineering and Management. The aim of IEMA-2017 conference is to provide a platform to the researchers and practitioners from both academia and industry to meet and share cutting-edge development in the industry 4.0.

IEMA-2017 conference will be hosted by Department of Industrial Engineering and Management, Mehran University of Engineering & Technology in collaboration with Department of Industrial Engineering, UET Peshawar and will be held on February 20 - 22, 2017 in Jamshoro, Sindh, Pakistan.

Prospective authors are invited to submit the original research papers which have not been submitted or published by other conferences or journals. Submitted papers will be peer-reviewed and accepted papers will be published in Conference Proceedings.
